## StarNet Wireless Adds New Advertising Plan

Bay City, Michigan (September 20, 2007) – StarNet Wireless adds a new radio advertising plan called Advantage. A contract was signed with Mid Michigan Radio Group of Lansing, MI for start of the advantage plan in November. Advantage is a plan offered by certain radio stations to select advertisers. This plan generally includes the cheapest commercial rates for prime time advertising offered for the year and has very limited availability.

“We are happy to continue our long term business relationship with Mid Michigan Radio Group,” said Jordan R. Dice, President/CEO of StarNet Wireless. “They have been a wonderful medium to our advertising and success in southern Michigan.”

The advantage plan will include the following Lansing radio stations:
